

A glass of strawberry sorbet is the central focus, served in a clear glass with a decorative base. The sorbet is a vibrant pinkish-red color. It sits on a white square plate. Beside the glass are several fresh strawberries, some whole and some sliced. A silver spoon lies horizontally across the bottom of the plate. The background is softly blurred, showing more of the same dessert in a pink cup and a strawberry. The overall lighting is bright and warm, creating a clean and appetizing look.
